## **11. Course Markers**

- 11.1 The numbering of a buoy shall mark lanes. All numbering explanations are from the start of the 250m-straight course.
- 11.2 The lane running closest to the finish line viewing will be Lane one (1) and the furthest shall be Lane six (6)
- 11.3 Lanes shall be marked with a number appearing on a buoy on the right hand side of the lanes. The numbered buoy to the left-hand side shall be the start of the next lower numbered lane.
- 11.4 The length of the 250m lanes shall, at a minimum, be marked by three (3) buoys per lane.
- 11.5 In races requiring turns there shall be a turning flag/buoy. Different coloured flags shall be attached to each turn buoy to help crews identify their lanes. Turn flag buoys shall be positioned equidistant from the numbered buoys i.e. in the centre of the lane at each end of the specific course being used for the turn events.

## **12. Lanes**

- 12.1 In sprint races all 250m W1 and WT12 races are straight away. W6 races may involve turns at each 250m as set for that event. The Organising Committee of any specific event will set the length of turn races for that competition.
- 12.2 The course shall have lanes that are:
  - i) 250m and
  - ii) 30 - 35m in width
  - iii) at least 2m deep
- 12.3 The lanes shall be set so a canoe will finish on the left of the buoy representing the number of its lane assignment.
- 12.4 The Waka must complete the entire race within its designated lane.
- 12.5 In any race involving turns the canoe must turn counter-clockwise around the flag but may start or finish with the flag on any side so long as they are within their designated lane.

- 12.6 A lane or area shall be designated so that the contestants may proceed safely to the starting line without interfering with the racecourse. When a race is in progress paddlers who are not racing will not be permitted on or near the course unless so directed by the Race Director.
- 12.7 A set of buoys shall mark the fifteen metre paddle break mark at each start line.
- 12.8 In straight races the lanes may be split in two. Canoes must finish with the turning flag to the side to which they started.

### **13. Turns**

- 13.1 Waka will turn counter clockwise around the flagged buoy.

### **14. Starts**

- 14.1 Competitors must be present at the start line for their event as shown on the programme. Starting signals shall be given regardless of absentees.
- 14.2 The start shall be taken up by two parties, one to align Waka and one to start the race when aligning has been achieved.
- 14.3 The order of the start is:
  - i) Raising the white flag - indicates two minutes to the race start. The race shall start any time within that two minutes. (waka move to the false start line)
  - ii) Raising of the red flag – Waka move to a starting position behind the startline.
  - iii) Raising of the green flag indicates the start of the race.
- 14.4 Crossing that start line at any time before the raising of the green flag will result in a disqualification. Not following starter orders will result in disqualification.

### **15. Disqualification (DQ) Applies to all events**

Disqualification will occur for any fault that is made before, during or after any race. This includes any breach of the Race Rules.
