

HAURAKI SPORTS CLUB INCORPORATED PARKING LAYOUT

Please ensure you park in a safe and courteous manner without impeding the flow of traffic along Tamaki Drive and Watene Crescent. If you are crossing the road with your W6 canoe, please use the pedestrian traffic light crossing adjacent to the toilets. There are limited parking space available at Hauraki Sports Club head quarter. If you park there, please make sure your trailer does not block any access to/from this area as Auckland Sailing Club and Ferg's Kayak customer used this parking area too. Your team could set up there and paddle to the beach for your safety check and registration.
