

PARA PLANNING SESSION

SATURDAY 30TH NOVEMBER

2:00PM-5:00PM

NGA HAU MAIANGI BUILDING - IAN SHAW RESERVE
PANAMA RD AUCKLAND

This an opportunity to collaborate with our para paddling community from around the country to come along and be involved in a Para Planning Session. Waka Ama NZ will facilitate a planning session to brainstorm ideas to build a Para Waka Ama plan that will help to shape how we best cater for the growth of para waka ama over the next 2, 5, 10 years.

It is important that we can have the input of our Para and wider waka ama community when looking to build this kind of plan. All are welcome to attend
