Behavioural Competencies

Behavioural Competencies are the role specific behaviours and attitudes required by kaimahi (staff) to be successful in their roles

Organising – Marshals resources (people, funding, materials and support) to get things done; orchestrates multiple activities at once to accomplish a goal; uses resources effectively and efficiently; and arranges information to a high standard.

Listening – Practises attentive and active listening, has the patience to hear people out and is perceived to have good rapport and reputation by others

Planning – Accurately determines the length and difficulty of tasks and projects; sets clear, realistic and measurable goals; sets priorities and time parameters to accomplish tasks and projects; anticipates road blocks and develops contingencies to redirect tasks so momentum is maintained

Team Work – Works collaboratively with a group of people, in order to achieve a goal

Cooperation – Works co-operatively as a member of a team, proactively sharing knowledge and information
