

CHAMPIONS CUP

JAMES MOORE-MORIAL RACE. MOUNT MAUNGANUI.

WHAT IS IT ABOUT?

James Lance Kiri Moore (aka Bhutty) was a core member of the Goodyear Outrigger Canoe Crew and New Zealand's White Water Rafting Team. He loved the water and there weren't too many days when he wasn't amongst it in one way or another. In July 2008 we had to bid our brother farewell, as while we were doing a down-winder Bhutty got the call up into Tangaroa's team. We host this event to honour our friend, to celebrate his life & what he achieved. The race is designed to raise the bar, to keep us all in top form and at the top of our game. To be able to compete, or complete, means that you will have had to have done the hard yards and every time you are out training you can thank Bhutty for the legacy that he left.

WHEN IS IT?

Saturday the 1st of February 2020: Saturday is Bhutty challenging 30+km Open Ocean Downwind 'Champions Cup' Race. This is the race you want to win!

Waitangi Weekend

It's a long weekend so make your way down to the bay of plenty and enjoy what we have to offer.

Reserve Day

Sunday 2nd of February will be used if weather is too dangerous.

WHO'S IN?

This is the event for the countries best Outrigger Canoe, Ocean Ski and SUP Paddlers. But it is for anyone who loves paddling and wants to challenge themselves with a 30+km ocean run on the Bay of Plenty's beautiful coast, over 100 paddlers can't be wrong. No doubt there are some unsettled scores and we hope to see the best of the bunch return to either retain their title or to claim it for themselves. Sorry, but Bhutty's 'Champions Cup' race is NOT an event for novice paddlers.

Race divisions are: **Open Men & Women - Single Outrigger Canoe, Ocean Ski and Stand Up Paddle Board, + Open Double Outrigger Canoe & Double Surf Ski + Relay.** We don't want any excuses like "There is not enough or too much wind" or "There is no rudderless division" or "where is the old guy category?". Pick your canoe of choice and show us what you're made of.

Everyone is welcome to be a part of the event. If you can't paddle you can help run shuttles, be on a support boat, or just mingle with good people and come for the feed (James would). Contact us if you are keen to help out in any way or just show up on the day. Help is always needed and appreciated.

Prior Champions Include:

- OC-** Kingi Gilbert, Bryce Irving, Tonga White, Stephen Roulston, **Tupu King**, Paul Chong, Bernie Murch, Sarah Url, Mereana Hodges, Mariana Hodges, Coral Darbishire, **Lynora Hati**, Penelope Strickland, Nicky Kingi

SAFETY +

For the Champions Cup

We will have 1 support boat per 10-15 paddlers. So that we can achieve this, we may have to cap entries on the day. To help us with organising the support boats PLEASE get your entry in early.

You need to take responsibility for yourself and provide all of your own safety equipment. There will be safety checks for all vessels before you put on. You will not be able to race with out all the appropriate safety equipment on this checklist below.

YOU MUST HAVE:

Leash - You are no good if your canoe, with all your safety equipment floats away from you. Use it! It is a water start and finish so no excuse.

VHF or Cell phone - A VHF can save a lot of hassle being able to have direct contact with safety boats or the coast guard. Make sure it is fully charged and that you have the safety director's number.

Life vest - It is only good if you can get it on. You are better to wear it or at least have it attached to you

Hydration & food - You must carry enough food and fluid to sustain you for the entire race. Hydration is crucial, keep drinking.

Spare paddle - Ocs only. You can't do much with a broken one or if it floats away after a flip. Ski's and Sups are welcome to take a spare if you can, but this is not compulsory.

Bailer or Foot pump - Cockpit Ocs only. It is no fun watching your mates surf past you or have your canoe snap in half because you are too full of water. Keep it dry!

HIGHLY RECOMMENDED:

VHF Radio - Make sure it is fully charged and that you have the safety director's radio channel.

Extra clothing - Conditions can change so be prepared for anything on the day.

Whistle - Great to let those around you know that you need help. It's a big ocean and it gets even bigger really quick.

Flare - Great if you are stranded on an island.

Everyone is required to fill in and sign their own **Assessment of risk & Release of liability - Entry Form**, accepting their own responsibility for being on the water on the day and acknowledging that they are competent in the conditions before them.
