Race itinerary

Please note:

Due to safety requirements, OC1, V1 & OC2 paddlers must wear a high visibility fluoro cap, vest or paddle top. This is compulsory. Paddlers not adhering to this rule will not be able to race.

Fluro caps, vests and paddle tops must remain on during the entire race. Fluro caps and vests will be available for loan at the event.

- The race organisers will endeavor to keep to the race itinerary, i.e. race time NOT 'waka time'. Please help us with this by having your waka ready for inspection on or preferably *before* the time stated. Worth lots of club points!
- All races will start and finish in front of marquees on Kaiteretera Beach.
- There will be short breaks between races. Length of break will depend on where your team comes in the previous race.
- Paddlers are expected to stay with their waka and teams between races and listen out for instructions.
- There will be a briefing before each stage race.
- There is **no NOVICE OC2 category**, experienced paddlers only for the OC2 open category on Friday!
- Please respect our coastal environment, reduce rubbish and keep our beach rubbish free!
