SELF-SEEDED DIVISIONS

- Any division that falls under or on quota will be contacted by TUOTR and the provision offered to self-seed. Communications will be with club reps directly, not the individual paddler.
- Self-seeding will take place when all paddlers in that division agree with the rankings
- If one paddler wants to race then the race will go ahead. Remaining paddlers have the option to race, or take a self-seeded lower ranking for national sprints.

UNFILLED U23 QUOTA'S

This division is notorious in TUOTR for being consistently unable to meet its quota. This year, the board has made the decision to rectify this with the following process:

- Any open spaces will be offered to the J19's who failed to qualify in the J19 division
- Spaces will only be offered to those paddlers who raced on the day and missed out
- These paddlers will be offered the spaces based on their times from fastest to slowest
- Any remaining spaces may be offered to the J16's who do not qualify, this will be at the discretion of the board

- There is **no** fee to lodge a protest

VOLUNTEERS

Each year the committee asks for volunteers and each year we have a sad and limited response. 2022 trials were particularly tough and the event was run on a skeleton crew. The committee has therefore made the decision that all clubs will supply volunteers on a per capita basis, that is, one volunteer per 10 entries. Failure to meet this requirement may result in those W1 entries being removed from our quota.

- All clubs will register the name of their volunteers to TUOTR by December 2nd. Club representatives can nominate a specific area of expertise for volunteering if they wish.
- All other volunteers will be organised into areas by the committee.
- All volunteers must stay for the whole day.

REGIONAL W12 SELECTION PROCESS

TUOTR will be seeking interest for two regional coaches, Mens and Womens, to compete at nationals sprints 2024. W12 selections are not included in this year's trials. Details tbc.
