(per team)

**12 paddlers**

(per team)

**250m**

race distance

**2 races**

per team (minimum)

**Contact**

events@wakaama.co.nz

- Through the 2025 Registration form you will be able to pay the entry fee immediately. Team spots will only be confirmed on full payment of the entry fee, due **by December 2nd 2024**.
- The Corporate Challenge is limited to 20 teams. Once that number is reached, further teams will be added to a waitlist.
- **Please only enter one team per organisation.** If you would like to add a second team on a waitlist, please email us.
- Teams will consist of a maximum of 12 paddlers from your organisation. Waka Ama NZ can provide the 12th paddler (the steerer) if needed.
- Teams must have at least 50% women minimum
- Teams are limited to a maximum of four (4) affiliated Waka Ama NZ members, who are racing at Sprint Nationals 2025
- Teams can be connected with a local club for training on request. PLEASE NOTE: This is at your own expense and at the discretion of the club
- The race distance will be 250m on our world-class race course at Lake Karāpiro
- The cost per team is \$1500+ GST
- If one organisation cannot field a full W12 team, we are happy for two organisations to combine (6 paddlers each) to make up a W12 (the cost would then be split \$750 each).
- All teams will get at least 2 races throughout the day - this is an all-day event.
- Lunch will be provided for paddlers only
- Paddlers must be employees or contractors of your organisation.
- If any of your paddlers are also racing in club teams - the club/corporate race schedule will not be disrupted or changed to accommodate those paddlers.
- The corporate prize giving will be held 30 minutes after the last corporate Final.
- As we are a whānau event, our event and venue is drug, smoke and alcohol-free
