Regional W1 500m and 250m Dash Representative Qualification Process

Each region has at least 4 entries in each age division for W1 500m events, and two Premier Men's and Premier Women's, and two J19 Men's and Women's entries into the W1 250m dash race for the WANZ Sprint Nationals. There are also additional places in the W1 500m events based on finalists from each regional from the previous year's nationals. E.g. 3 TWoA finalists = 4 + 3 = 7 entries for Nationals.

W1 500m qualifiers from TWoA will be decided at the regional event by placings in the W1 500m final of each division. Paddlers that cannot make the regional event, but who wish to be waitlisted for consideration of a W1 spot, must contact the TWoA President ahead of the event. You may then be allocated a spot if all other qualifiers from the regional event pass on their spot.

The W1 250 Dash race happens just before the Regional W12 race on the Thursday afternoon. The premier men's and women's events are for all age divisions from Open to Master 70s. To align our regional event with the national event paddlers will get one race to set a time, followed by a final for the top qualifying times in each gender. The fastest two times out of each gender in both the J19 and Premier divisions will qualify to be our regional 250 dash reps.

Regional W12 Qualification Process

Each region also puts forward a Men's and a Women's Regional W12 team to compete at the Sprint Nationals. Qualification for these teams are based on paddlers competing in the **W1 250m Dash** at the TWoA Regional Sprints – *selection for the W12 teams is still to be confirmed*. Anyone wanting to be considered for selection must commit to attending Nationals and **show their intent at time of registration for the W1 250m Dash**.

Notes

- Entries must be made via your club and fees paid ahead of the event.
- W6/W12 waka will be supplied by TWoA, and W1 waka must be supplied by paddlers and weighed.
- Clubs are expected to help with running our Region's event.
- You must enter the W1 250 Dash if you want to qualify for the Regional W12 Team.
- Questions or Enquires please contact the race director Maaka Rangihuna (0276126215) or TWoA President Brendon Timmins (021725816 or twoa.president@gmail.com)

Lake Ruataniwha Venue and Racecourse Map

The admin building is in line with the finish line of the course, while the spectator area is the length of the racecourse itself. You are welcome to pitch gazebos etc in front of the admin building also (results and first aid area).

Waka will be loaded/unloaded in front of the admin building next to the spectator area. It is the competitor's responsibility to ensure they know what lane they are allocated, are on the water ahead of time and ready to start their race. We are wanting three races at any one time on the water – one racing, one lining up, one paddling down. The fourth getting ready to go. 5 min windows between starts. 10 x W1 lanes available – heat will be seeding for final if 10 or less W1 per category.

It is a 5 min paddle down to the start of the 500m W1 events. **Please ensure there is enough space between races if sharing W1 waka for swapping over without impacting race schedule.**

The 500m Straight Race start line is the 1500m marker of the racecourse. The 250m Straight Race start line (and turn race turning buoys) are at the 1750m marker of the racecourse.

The 250 / 500m Straight Race finish line and 500 / 1000 / 1500m turn race start & finish line is at the 2000m marker and end of the course in front of the admin building.

Rubbish bins are present so please ensure they are used.

Toilets are available and located near the admin building.

Food and coffee carts will be available on the day. Twizel Four Square supermarkets are a 5 min drive into town.

LASTLY, PLEASE NOTE THIS IS A NO SMOKING, NO DRUG, NO VAPING, NO ALCOHOL VENUE.

The function will be hosted at the Top Hut Bar & Bistro in Twizel. A 5 min drive from Lake Ruataniwha venue.
