TAITAMARIKI AND INTERMEDIATE LIFEJACKETS

It is compulsory for Taitamariki & Intermediate paddlers to wear Maritime NZ approved PFDs/life jackets, while competing at the 2026 Sprint Nationals.

As in previous years, **inflatable PFD/life jackets are prohibited** for our Taitamariki and Intermediates, as generally these jackets are made for adult sizes only once inflated. The safety of our Taitamariki and Intermediates is of the utmost importance.

ID CARDS

Cost is \$7.00 (for new and replacement cards)**

- All paddlers must have a bar-coded ID card to be able to race.
- For new or replacement cards: Club reps must complete an application online using their login & password. Before you create a new ID, please search the database for the paddler you are registering in case they already have an ID number.
- Photos and verification documents can be scanned and emailed to admin@wakaama.co.nz

****Orders received after the 2nd of January 2026, and at the venue will cost \$17**

ID CARD TIP: To avoid the last-minute rush for club administrators you should start to collect new paddler verification documents and photos now, and do a few each week. It will save you a lot of work the week prior to Christmas when everyone is hectic or away and not able to access documents! And it will help our office immensely!

W1 ENTRIES AND QUOTA

Entry Fees:

If you are entering W1 only the full fee is payable for your age category. There is no extra fee for entering the W1 events if you are also paddling W6/W12 for your club/region.

Quota:

To manage the W1 events it is necessary to limit entries. Therefore, a set number of heats for each category have been confirmed. Regions are allocated 4 entries for each race division, plus an extra quota for having finalists in the previous year's Nationals. See the next page for the 2026 W1 Quotas.

Should a region's quota be unfilled, paddlers on the waitlist in their region will get the first option to take up a spot. Should the region have no waitlisted paddlers, then all other waitlisted paddlers in that category across other regions will be ranked by waitlisting and then randomly drawn for available space.

Please note: Whilst there is a regional quota for W1, paddlers are representing their club within that region. Paddlers may only paddle for 1 club at the national championship. W1 racing contributes toward the club points for the Club Points Trophy
