INTRODUCTION

Tai Tokerau Polynesian Canoe Association (TTPCA), in association with Native Sports Performance and Sport Northland, are pleased to offer secondary school students the opportunity to participate in our region's Secondary School Sprint Champs. The event will take place on Thursday 5th March 2026, at Lake Manuwai – Waipapa (Kerikeri); Native Sports Performance will be hosting

We recognise the efforts schools undertake to ensure all students are given the opportunity to participate in sport at any level and we believe Waka Ama delivers an experience of a lifetime. We wish to acknowledge those involved in delivering programs to students, particularly clubs who provide access to equipment and coaching, and of course the many parents and teachers who offer their support and guidance.

It is our hope that students enjoy this unique experience and consider joining one of the many clubs within our region to further develop their skills and engage fully in the many different aspects Waka Ama provides. Waka Ama provides individuals with the opportunity to develop connections to our community, develop leadership skills and adopt a healthier lifestyle and sense of hauora or wellbeing. Information regarding the Tai Tokerau Secondary Schools Regional Waka Ama Sprint Regatta 2026 can also be viewed on the following websites

CLUB CONTACTS

TTPCA is the Regional Sports Organisation representing Waka Ama (Outrigger Canoeing) in the Upper North Island region. The region stretches from Omaha, north of Auckland across to the Kaipara Harbour north of Helensville up to the Cape Reinga.

There are fifteen clubs located within the TTPCA region. Sports Coordinators and schools will need to make arrangements with these clubs to assist with or provide training. Some schools may already have existing relationships with clubs in their area and we encourage you to continue these relationships further.

All paddlers are expected to have experienced at least one capsized drill during training, and be regarded as sufficiently competent by Sports Coordinators, coaches or team managers to compete at the regatta.
