

Appendix One: Safety Operational Plan – Operational Amendments Record

Event: Waka Ama Secondary School Nationals 2026

Location: Lake Tikitapu

Date: Monday, 9th March 2026

Document Reference: Safety Operational Plan

1. Purpose

This appendix records agreed operational amendments to the approved Safety Operational Plan. These amendments may be made in response to operational conditions, resource availability, or other relevant factors. All changes must be agreed to by the Event Director and Safety Officer.

2. Operational Amendments

Amendment No.	Description of Amendment	Reason / Rationale	Approved By	Date
1	Reduction of safety vessels from 5 to 4 vessels operating on the course.	Operational review determined that 4 vessels provide adequate coverage of the racecourse and surrounding safety zones.	Event Director / Safety Officer	09/03/2026

2	Agreement that the South Western Passive Recreation Area, North Eastern Passive Recreation Area, and South Eastern Passive Recreation Area remain open for passive recreational use during the event.	These areas are outside the active racecourse and do not impact event safety operations.	Event Director / Safety Officer
